

Crane lorry approved for lifting people

MEWP 38M PK165JIB

Truck-mounted crane with a basket approved for lifting people, mounted on a tractor unit and fitted with a PALFINGER 165002 JIB. It allows work to be carried out at heights of up to 38 m and a horizontal reach of 35 m, with a SKY3 basket designed for comfortable manoeuvring with several operators and tools. Ideal for maintenance, assembly and technical work at height.

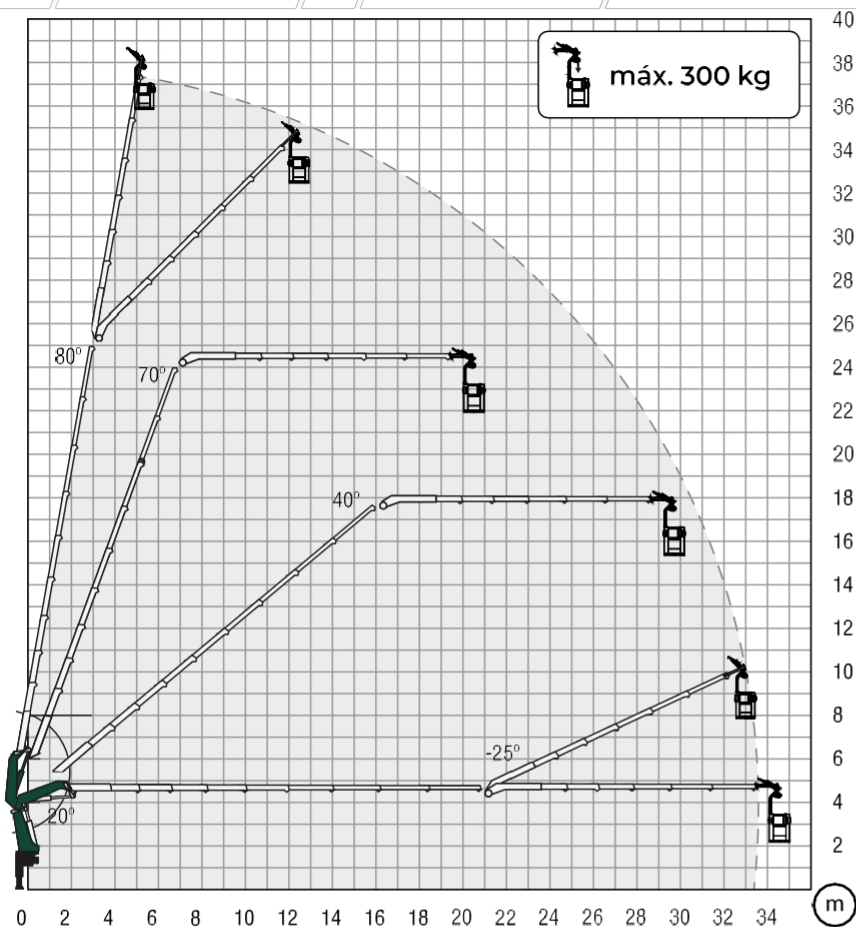

2-in-1 solution: aerial access and load handling with a single unit, ideal for industrial maintenance, assembly and urban work.

ZBE access
